

IRAQ DAILY OVERFLIGHT REQUEST FORM INSTRUCTIONS:

All NEW carriers desiring to operate in or over Iraq need to submit an Air Operator Applicant Information package. See ICAA website Welcome page for package contents and details.

Companies with an ICAA Overflight Certificate must submit their request at least 24 HOURS in advance of the desired ORBB FIR entry time but no later than 1500Z day prior to flight.

Companies without an ICAA Overflight Certificate must submit their request at least 72 HOURS in advance of the desired ORBB FIR entry time.

Overflight Request Form Instructions:

NOTE: Use this form for individual DAILY Overflight requests. For SCHEDULED service throughout an entire season (Summer/Winter), use the Long-Term Schedule Overflight Request Form.

1. FILL OUT COMPLETELY ALL BLOCKS/AREAS SHADED WHITE.

2. Use the “VERSION” block to indicate changes to the original request. The initial request is always Version 1. Any change will be Version 2, 3, etc.

3. Email the form to ops.overflight@iraqcaa.com (do not use ops@iraqcaa.com account – this is for landing slot requests)

- EMAIL SUBJECT: CALLSIGN DATE VERSION#, DAILY OVERFLIGHT
(example: DNA111 10AUG09 V1, DAILY OVERFLIGHT) (date of flight is the ORBB FIR entry date)

- FILE NAME: CALLSIGN DATE VERSION# (example: DNA111 10AUG09 V1)
** ** Save in Excel 97-2003 Workbook (*.xls) format **

4. ICAA will reply to carriers with an APPROVAL / DISAPPROVAL / or UNDER CONSIDERATION email. If you receive an APPROVAL email from ICAA, this is your authority to operate; however, you MUST still obtain any required PPRs and from destination airfields and file proper flight plans.
