

Ban List

- The below list of countries and air carriers is prepared and published in order to increase the safety margin of civil aircraft operation in Iraq.
- All passenger carrying aircrafts registered in any country listed below are prohibited from operating in commercial air transport into or from Iraqi airports.
- This list is based on the information provided from the following resources:
 1. ICAO USOAP summary reports.
 2. European Community List of Banned Air Carriers.
 3. FAA IASA program.
- Aircrafts registered in countries not in the list and operating in Iraq is subject to safety assessment in accordance with ICAO and Iraqi civil aviation safety standards.
- This list will be updated based on changes in the above resources and any findings deducted from the safety assessments of Iraqi civil aviation.
